

Parent Designed Course – Upstream Learning

Enter as part of Individual Learning Plan on BrightWays

Directions for transferring from Word Document to BrightWays:

1. Fill in the details of the planned course below. Be complete and use as much space as you need.
2. Open up the ILP page on BrightWays and click 'Add Course'. Under 'Curriculum Source', choose 'Parent Designed Course' from the drop-down menu.
3. Highlight your work from the * below. (Left click and drag down through 'Notes')
4. Copy, while highlighted (Ctrl C).
5. Paste into the 'Supplemental Curriculum or Enrichment' box (Ctrl V).
6. You can edit once it's in the box.
7. Save Course
8. You should now see 'Parent Designed Course' listed under 'Curriculum'.
