

Upstream Learning Student Agreement

Student _____ Grade _____ School Year _____

I have read, understand, and agree to fulfill my responsibilities, as listed below:

(Please check each box)

- I understand that I am now enrolled as an Upstream Learning student for the remainder of the school year. My home teacher and contact teacher will develop an Individual Learning Plan (ILP) that gives details of each course I will be enrolled in this semester.
 - I agree that _____ will be my home teacher and will accept this responsibility by signing the Home Teacher Agreement.
 - I will cooperate with and behave respectfully towards my home teacher as I work on my school subjects each day.
 - I agree to organize a daily schedule and a workspace that will enable me to make steady progress on my school work.
 - I understand that I will meet with the Upstream Learning contact teacher at the end of each quarter to discuss progress and to work through any issues or questions that I might have regarding my school course requirements.
 - I understand that I must complete the semester requirements of each course on my ILP by the Upstream Learning semester ending date in order to receive high school credit for that course.
 - I understand I will take required High School Graduation Qualifying Exam (HSGQE) testing at an Upstream Learning test site on April 2, 3, 4, and 5th.
 - I understand that 'homeschooling' is not an easy way to obtain credits; my home teacher and my Upstream Learning contact teacher will both work to support me in achieving my goals.
- I need to make steady progress in my courses to demonstrate that this method of education is working for me. I understand that if I fail to abide by the responsibilities listed above, or if I am not demonstrating consistent progress in my studies, Upstream Learning officials may withdraw me from the Upstream Learning program before the end of the semester.*
